## HOWELL

CATALOGUE
OF THE
FLORA OF
OREGON, WASHINGTON, AND
IDAHO

69. Howell, Thomas (Jefferson) (1842-1912). Cate Oregon, Washington, and Idaho. 23 pages, wrat (1877).

"By 1887 this had grown to a "Catalogue . . . comprithan 200 varieties." (Humphrey p. 119)

## CATALOGUE

OF THE

FLORA

OREGON, WASHINGTON, and IDAHO.

#### ANNOUNCEMENT.

I will burness Bottmists with all I can find of their desiderata from this coast at ten cents per specie; all specamens to be complete, with rate and flowers; and roots, when possible.

I have collected Botanical specimens for sale, for the last four years and my plants have given good satisfaction wherever they have been

received

All plants will be securly packed, and sent by Mail, free of charge

their safe arival garanteed,

Full sets, of all I can fin I, will be furnished at five cents per specie. Large quantities of any class of plants; or large quantities of any specie will be furnished at \$5, per 100 specamens.

I have published a Catalogue of the Flora of Oregon, Washington, and I I tho; which I will send on application price ten cents. In case

plants are purchased, the money will be refunded.

Thomas Howell.
Arthur, Oregon.

\$ 477
